

**DOCTORS ARE CORDIALLY
INVITED TO ATTEND A DINNER
DISCUSSION ON:**

zoetis

They Depend On You. You Can Depend On Us.

Hear about the most advanced feline medicalization resources and Zoetis Petcare medical innovations for feline osteoarthritis.

PRESENTED BY ZOETIS & TVMA

FEATURING GUEST SPEAKER:

Ralph Harvey, DVM, MS, DACVAA, UT

Dr. Ralph Harvey teaches anesthesia and pain management in the Department of Small Animal Clinical Sciences at the University of Tennessee College of Veterinary Medicine in Knoxville, Tennessee. He previously served as the Section Head for the Small Animal Surgical Services and as a member of the University Faculty Senate. His veterinary degree is from the UTCVM and his post-graduate training included internship, residency, and fellowship at Cornell's Veterinary and Medical Colleges.

Dr. Harvey has worked in private small animal practice. He is certified as a specialist by the American College of Veterinary Anesthesia and Analgesia, has served as their Executive Secretary and as a member of the ACVAA Board of Directors. He currently is a member of the Fear-Free Executive Council.
