Personal Information New or Changed

We ask for updated information yearly to ensure you will continue to receive information about upcoming continuing education lectures and social events. If paying for multiple members, please have each member fill out their own form for accuracy of information.

(NOTE: A current email address is very important as most notices about CE events and other TVMA sponsored events are sent via this route. Each member must have an individual email address. Unfortunately, our database does not recognize multiple doctors with the same email address and your information will be voided without an individualized email. Sorry for the inconvenience.)
